- The total cost is \$4,950 or you can pay with 5 monthly instalments of \$1,000
- Receive a platinum subscription throughout the course, worth \$1,995 by itself
- You'll trade in real time throughout 2019...trading both local and U.S. stocks
- Available in both Melbourne and Brisbane, on 4 Saturdays throughout the year
- More content than ever before, including online content and face-to-face classes
- And our 'no questions asked' money-back guarantee applies up to the end of Day 1
